

To Whom It May Concern

For all new construction proposing to utilize a septic system for onsite wastewater disposal please follow the steps below to submit all required documents.

- Go to summitcountyhealth.org
- Click on permits on the left side of the screen
- Click on Onsite Wastewater/Septic Permit
- Fill out the online form and attach all required documents.

Once you submit the health department will perform a plan review of the septic design. Once the design has been approved and required fees have been paid the Health Department will issue you a wastewater permit, and sign off on your building permit.

No building permit sign off will occur until the above items are completed.

Please contact the health department if you have any questions.

Contact the Coalville office 435-336-3234.
